

MÖBELSYSTEM LIGRAN

FURNITURE SYSTEM LIGRAN

1/11

1

Das Möbelsystem Ligran erfüllt den Wunsch nach solitären, mobilen Produkten für moderne, urbane Architektur: es ist für kleine Räume ebenso geeignet wie für großzügige, offene Grundrisse. Das Programm beinhaltet feine und schlanke Möbel, flexibel in den unterschiedlichsten Lebenssituationen und -bereichen einsetzbar, vom Schlafzimmer über den Ankleidebereich bis zum Wohn- und Essbereich. Charakteristisch sind die dünnen Materialdicken und das fein komponierte Fugenbild, das durch die grifflosen Fronten mit push-to-open Beschlägen voll zur Geltung kommt.

The furniture system Ligran fulfills the wish for stand-alone, mobile products for modern, sophisticated architecture. It is suitable both for small rooms and large, open-plan spaces. The Program includes fine, slim-line furniture and can be used flexibly for a wide variety of living situations and areas – from bedrooms through dressing rooms to living and dining areas. Slim material thicknesses and finely constructed joints are characteristic features, set off to their full advantage by handleless fronts with push-to-open fittings.

TECHNISCHE DETAILS TECHNICAL DETAILS

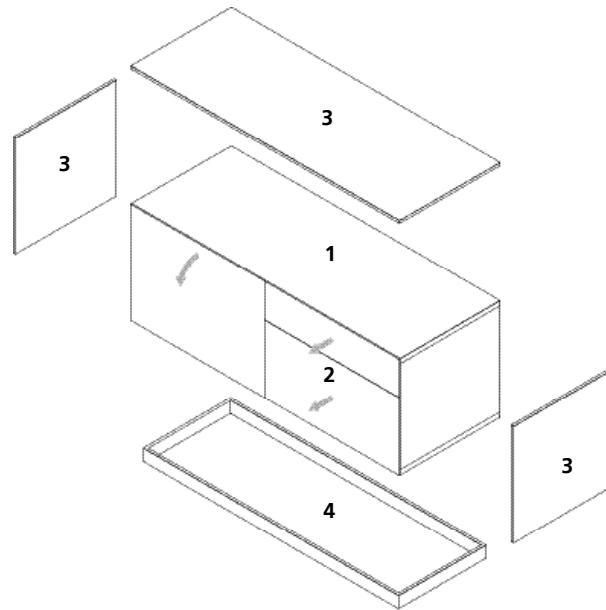

2/11

Komponenten

- 1_ Grundkorpus
- 2_ Frontelemente (Schubkästen/Klappen/
Drehtüren/Schiebetüren)
- 3_ Deckplatte und Seitenwangen
- 4_ Sockel- und Fußvarianten

Components

- 1_ Base frame
- 2_ Front elements (drawers/flaps/
hinge doors/sliding doors)
- 3_ Lid plate and side panel
- 4_ Socket and feet options

Grundkorpus und Ausstattung

Der Grundkorpus ist immer in Dekor ausgeführt. Hier stehen Ihnen verschiedene Oberflächen zur Verfügung. Je nach Einsatzzweck können Sie aus verschiedenen Fußvarianten (Möbelfuß, Fußgestell, Sockelrahmen) oder einer Wandaufhängung wählen. Dazu ergänzend wird der Grundkorpus mit einer Deckplatte und Seitenwangen aus Dekor, Lack, Glas lackiert, Matelac/Spiegel oder Furnier verkleidet.

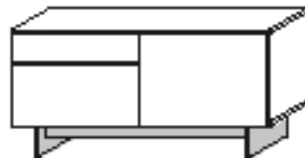

Möbelfuß/Furniture feet
Höhe/Height 130 mm

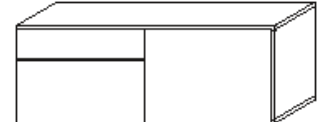

Sockelrahmen/Socket
Höhe/Height 50 mm

Base frame and finish

The basic corpus is always finished in decor and various surfaces are available. We offer a variety of feet (furniture feet, foot stands, or sockets) or a wall mounting option, depending on the intended use. In addition to this, the basic corpus can be supplemented with a lid plate and side panels finished in décor, lacquer, lacquered glass, matelac/mirror, or veneer.

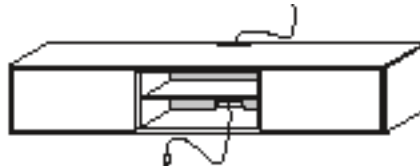

Fußgestell/Foot stand
Höhe/Height 150 mm

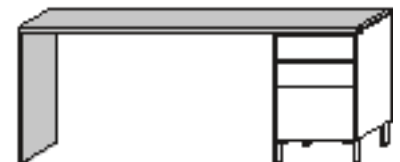

Wandaufhängung/Wall mounted

Zubehör

Ergänzend gibt es einige Möglichkeiten das Möbelsystem weiter an den Anwendungszweck anzupassen. Dazu bieten wir z.B. ein Kabelmanagementsystem, Schreibtisch oder eine Sichtrückwand an. Bitte beachten Sie, dass nicht jedes Zubehör mit jedem Möbel kombinierbar ist.

Kabelmanagement/Cable management

Schreibtisch/Desktop

Accessories

Various options are available to further refine the furniture system to fit its intended use. These include, for example, a cable management system; a desktop; or a visible rear panel. Please note that not every accessory can be combined with every piece of furniture.

Sichtrückwand/Visible rear panel

Einlegeboden Dekor oder Glas/
Adjustable shelf decor or glass

Maßsystem

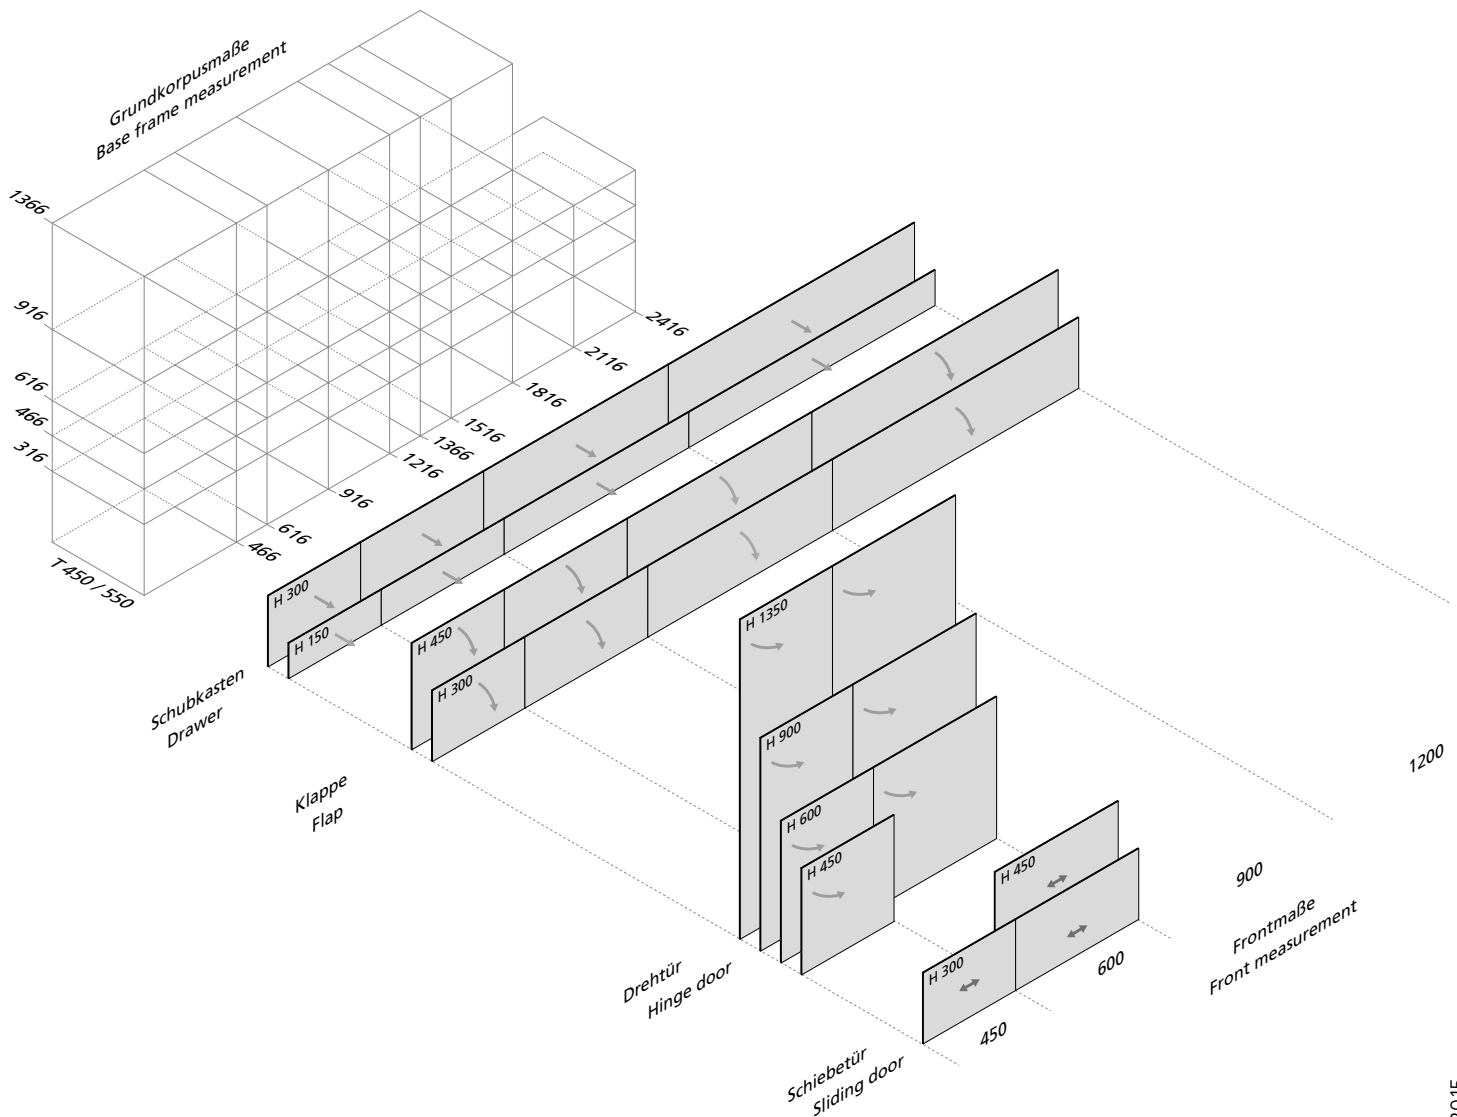

Insgesamt gibt es 9 Korpusbreiten, 5 Korpushöhen und 2 Korpusstiefen. Diese können mit verschiedenen Frontelementen bestückt werden, die wir sinnvoll aufeinander abgestimmt für Sie vorkonfiguriert haben.

Die Gesamtmaße berechnen sich wie folgt:
 Gesamtbreite = Grundkorpusbreite + 3 mm Fugenmaß zwischen den Fronten + Seitenwange (Dekor, Lack, Furnier 10 mm/Glas 4 mm)
 Gesamthöhe = Grundkorpushöhe + 3 mm Fugenmaß zwischen den Fronten + Deckplatte (Dekor, Lack, Furnier 10 mm/Glas 4 mm) + Fußvariante
 Gesamttiefe = Grundkorpusstiefe + 9 mm

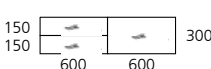

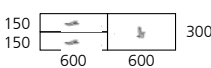

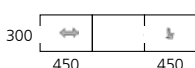

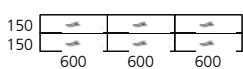

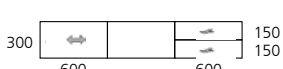

Dimensions

A total of 9 corpus widths; 5 corpus heights; and 2 corpus depths are available. They can be fitted with a range of front elements that have been preconfigured to provide you with coordinated options.

The overall dimensions are calculated as follows: Total width = Base frame width + 3 mm joint gap between the fronts + side panel (decor, lacquer, veneer 10 mm/glass 4 mm)
 Total height = Base frame height + 3 mm joint gap between the fronts + lid plate (decor, lacquer, veneer 10 mm/glass 4 mm) + foot option
 Total depth = Base frame depth + 9 mm

Bei den angegebenen Maßen handelt es sich um Planungsmaße und nicht um Produktionsmaße.
 The sizes quoted are planning dimensions and not manufacturing dimensions.
